SKILLS

- **Languages:** C++, Java, C, Python, JavaScript, SQL
- **Web Frameworks & Technologies:** React.js, Node.js, Express.js, HTML, CSS, REST APIs, JWT, Mongoose, Vite
- **ML Frameworks & Libraries:** Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn
- **Tools/Platforms:** Git/GitHub, Docker, MongoDB Atlas, Postman, Power BI, VS Code, Jupyter Notebook, Figma
- **Soft Skills:** Problem-Solving, Team Collaboration, Adaptability, Analytical Thinking

PROJECTS

- BLUEPRINTR – AI Product Execution Copilot | [GitHub](#)** Apr 2026 – May 2026
- Engineered a 5-stage agentic LLM pipeline (OpenAI API) that auto-generates features, REST API specs, DB schemas, and starter code from a single user prompt - reducing manual planning effort from hours to under 2 minutes.
 - Architected Node.js/Express backend with TTL-based Redis caching — cutting redundant LLM calls by ~60% and response time to under 800ms.
 - Built a React SPA with 8 pages and 7 dashboard components (API viewer, schema view, task board) using Zustand and custom hooks.
 - Enforced rate limiting, ownership checks, and async error wrapping for production-grade API security.
 - Tech: React.js, Node.js, MongoDB, Redis, OpenAI API, Zustand, Tailwind CSS, Docker, REST APIs, MVC
- Planora – MERN Stack Project Management Platform| [GitHub](#)** Jan 2026 – Feb 2026
- Developed a full-stack platform with JWT-based authentication and a dedicated authMiddleware, securing protected routes across 4 resource domains — Projects, Tasks, Teams, and Users.
 - Architected RESTful APIs across 4 modular route files with full CRUD for Projects, Tasks, and Teams - backed by Mongoose schema validation on 4 data models.
 - Designed a React.js SPA with 5 views and a unified api.js service layer — keeping UI and data logic cleanly separated.
 - Implemented auth middleware, input validation, and centralized error handling for consistent API responses.
 - Tech: React.js, Node.js, Express.js, MongoDB Atlas, Mongoose, JWT, REST APIs, Vite, Git/GitHub
- Air Quality Data Analysis – Data Cleaning & Insights | [GitHub](#)** Mar 2025 – Apr 2025
- Cleaned and preprocessed a real-world air quality dataset - handled missing values, outliers, and feature inconsistencies to achieve analysis-ready data.
 - Uncovered key correlations between pollutants (PM2.5, NO2, CO) and seasonal trends through EDA using Pandas and NumPy.
 - Visualized 6+ statistical insights via Matplotlib and Seaborn including heatmaps, distribution plots, and time-series trends.
 - Tech: Python, Pandas, NumPy, Matplotlib, Seaborn, EDA, Data Cleaning

TRAINING

- From Data to Insights Center for Professional Enhancement | [Certificate](#)** Jun 2025 – Jul 2025
- Engineered a CLI-based Task Management System in C++ featuring file-persistent storage, OOP-driven architecture (classes, inheritance, encapsulation), and linked list-backed task queues supporting insert, delete, and priority operations.
 - Solved 20+ algorithm problems covering Arrays, Stacks, and Linked Lists, focusing on time/space complexity optimization.
 - Structured modular, maintainable code with separation of concerns — applying real-world software engineering principles to academic projects.
 - Tech: C++, OOP, File I/O, Data Structures, Algorithm Design, Complexity Analysis

CERTIFICATES

- NPTEL Online Certification in Cloud Computing | [IIT Kharagpur](#) May 2025
- Dynamic Programming Camp | [AlgoUniversity](#) Apr 2026
- NeoColab Certification in DSA | [IamNeo](#) Dec 2024
- Responsive Web Design | [FreeCodeCamp](#) May 2025

ACHIEVEMENTS

- **Top 5 Finalist – CodeStorm Hackathon (LPU):**
Top 5 of 60+ teams at CodeStorm Hackathon (LPU) — built and demoed a working technical solution within a 24-hour sprint.
- **Solved 150+ problems on GeeksforGeeks and Leetcode:**
Earned the official GeeksforGeeks 150+ Problems Badge, showcasing consistency in coding practice and analytical proficiency.

EDUCATION

Lovely Professional University Bachelor of Technology – Computer Science and Engineering CGPA: 7.6	Phagwara, Punjab Since Aug 2023
St Thomas Sr Sec School Intermediate Percentage: 78%	Mandsaur, Madhya Pradesh Apr 2021 – Mar 2022
St Thomas Sr Sec School Matriculation Percentage: 85.4%	Mandsaur, Madhya Pradesh Apr 2019 – Mar 2020
